Notice: Tax Increase

Dear Registered Dealer in Allen Parish,

The Allen Parish School Board Sales and Use Tax Office wishes to advise that local sales and use tax rates will increase parish wide effective October 1, 2006.

Voters recently approved a new 1% local tax for the Allen Parish Law Enforcement District. New returns will be mailed to you in our customary fashion. Dealers are encouraged to discard any supply of earlier returns as the rates that appear thereon will be incorrect.

Effective October 1st rates will either be 4.7% or 6% (previously 3.7% or 5%) depending on the column used for reporting. Please ensure that your cash registers and accounting systems are adjusted to incorporate this change.

Blank copies of the new return can be downloaded from the website www.laota.com. If you have any questions please call our office at 337-639-2145.

Thank you,

James A. Brabham
